## **LAST MONTH – JULY 20<sup>TH</sup> – ANNUAL PICNIC & AUCTION**

We all gathered around the lake on a lovely Sunday afternoon. It was a hot day, but a mild breeze from the West made it perfectly comfortable. The goodies for auction were piling up on the tables, whetting our appetite for the start of our Annual Picnic & Auction. But, first it was time to indulge in our eating goodies that were warming & enticing us to start our lunch. BUTTTT, there were no plates glasses or utensils. Oh my, the caterer goofed, but George to the rescue. He quickly organized a team to go to the nearest store to equip us with our missing items, and in a short time, we were ready to indulge in hot & cold food & drink, even better than last year. The cookies were a hit as usual, there was more than enough of everything for those who wanted more.

After the eating festival, George looked over the valuable Bonsai items supplied by our generous Members and started the auction. David fulfilled his usual assignment of showing the items to everyone close up & establishing the winner number to the money takers. The items ranged from unusual Japanese & Chinese pots to dramatic plants that had the potential to join the world of Bonsai with a little work by the winner. After that, he auctioned books & some useful tools, such as a sprinkler wand, a full Dremel set and a beautiful carving set. The successful bidders walked away with items at bargain prices available nowhere else.

Though the participants were down in number this year, those who were there were generous, and the Club raised some needed funds for our future programs.

## **THIS MONTH - AUGUST 17<sup>TH</sup> - STYLING W/S (byob) G. LeBolt & SPECIAL TREE SALE**

We usually have a big turnout for this event and all of our Members profit from the styling advice offered by George for each of the many trees. The format for this meeting will be the same as last year, namely,

1. Minimal Business Meeting
2. AM Styling Workshop-open to all (with advance Registration). There is a nominal \$10 charge (to BBS) for design review and analysis by George.
3. Afternoon Hands-on Workshop (included in \$10 fee) with assistance from advanced Members of BBS who will help all participants achieve the styling suggestions originally given by George in the morning session

We would like to see more Members doing the hands-on work with their trees, and also involve several more advanced Members in teaching and assisting others.

**Let's get EVERY Member involved!**

## →**SPECIAL MEMBER TREE SALE at AUGUST 17<sup>TH</sup> MEETING**←

All Members are invited to bring in Trees (Bonsai or pre-bonsai) for sale. The rules are:

1. Bring in any reasonable amount of trees you wish to sell. Prices should be marked.
2. Purchase as many of others "treasures" as your heart & wallet desires.
3. 20% of all sales to be donated to Bergen Bonsai (Honor System)
4. Come early – sale starts @ 9:15AM—so we don't hold up our regular Meeting

This is a first time event for us--if it works out, we can make it an annual event.

## **NEXT MONTH – SEPTEMBER 21<sup>ST</sup> – BUS TRIP TO BROOKLYN BOTANIC GARDEN**

The bus has been chartered and all details are in place. We will have our usual 55 passenger luxury touring bus (with plumbing facilities) and plan to leave from Closter at 9am and return at apx 6pm. We already have 35 Members signed up. We will have a conducted tour of the Bonsai display by the Curator, Julian Velasco. This will be followed by a visit with the Curator to the "back area" of the Garden, where we will see all the other Bonsai and work in progress. There is an adjacent food concession, but we advise most people to bring their own lunch.

After the two tours, there will be plenty of time to view the Japanese Garden and all the other many parts of the Brooklyn Botanic Garden, including the Gift Shop. On the return trip home, we will stop at one of Brooklyn's most renowned landmarks, "Juniors", so all can stock up on the best cheesecake (and other goodies) in the U.S. of A..

We anticipate the cost at \$40 for members and \$45 for non-members. This cost will be **REDUCED** if we have a really good turnout. Bring payment to our Meeting on August 17<sup>th</sup>.

## **ANNUAL SHOW AND CRITIQUE**

It is not too early to think about what tree you are going to display at our Fall Show. Continue pruning and grooming it **NOW**, so it will be ready in November. It does not have to be a "masterpiece" but we want every Member to show a tree that they have created themselves.

## **STUDY GROUPS**

Only 3 more dates remaining, as listed in another section of this Newsletter. As of now, they all have openings. Please get your reservations in as quickly as possible.

## **BBS WEBSITE**

Go to [www.bergenbonsai.com](http://www.bergenbonsai.com) & you can view our Newsletter, pictures from our last Meetings, the MidAtlantic Convention, & much more. Thank you again, Bob Pruski.

## **LIBRARY**

As usual, our complete Library inventory is posted on our website. See what you want, contact our Librarians (Diane, John & Irena) , and they will bring it to the next Meeting. This is a tremendous facility and one of the best ways to learn more about Bonsai.

### **SPECIAL NOTES:**

Due to George LeBolt's busy Bonsai schedule (both here & away), he will be unable to conduct the usual 12 to 15 Study Group Sessions this year, he has only scheduled seven. Several new dates are listed above.

In addition to styling trees, here is some important **TIMING** info for potting & repotting.

July & August are the best months to style, pot &/or repot most Tropicals trees, which is best done under supervision. Much Tropical potting was done @ our 8/2 Session, – 8/24 still OK.

Some of our Members have never participated in a Study Group session and literally don't know what they are missing. As demonstrated in past years, these sessions tend to fill up early!

We urge anyone how has not yet had the benefits of this experience to sign up for at least one of these sessions this year. **Don't miss this opportunity!**

If you need a tree (Indoor or Outdoor) for the Study Group, give George a call ASAP at 201-768-7455. He may have some available, or based on your need, may be able to obtain what you want.
